

SAINT GEORGE

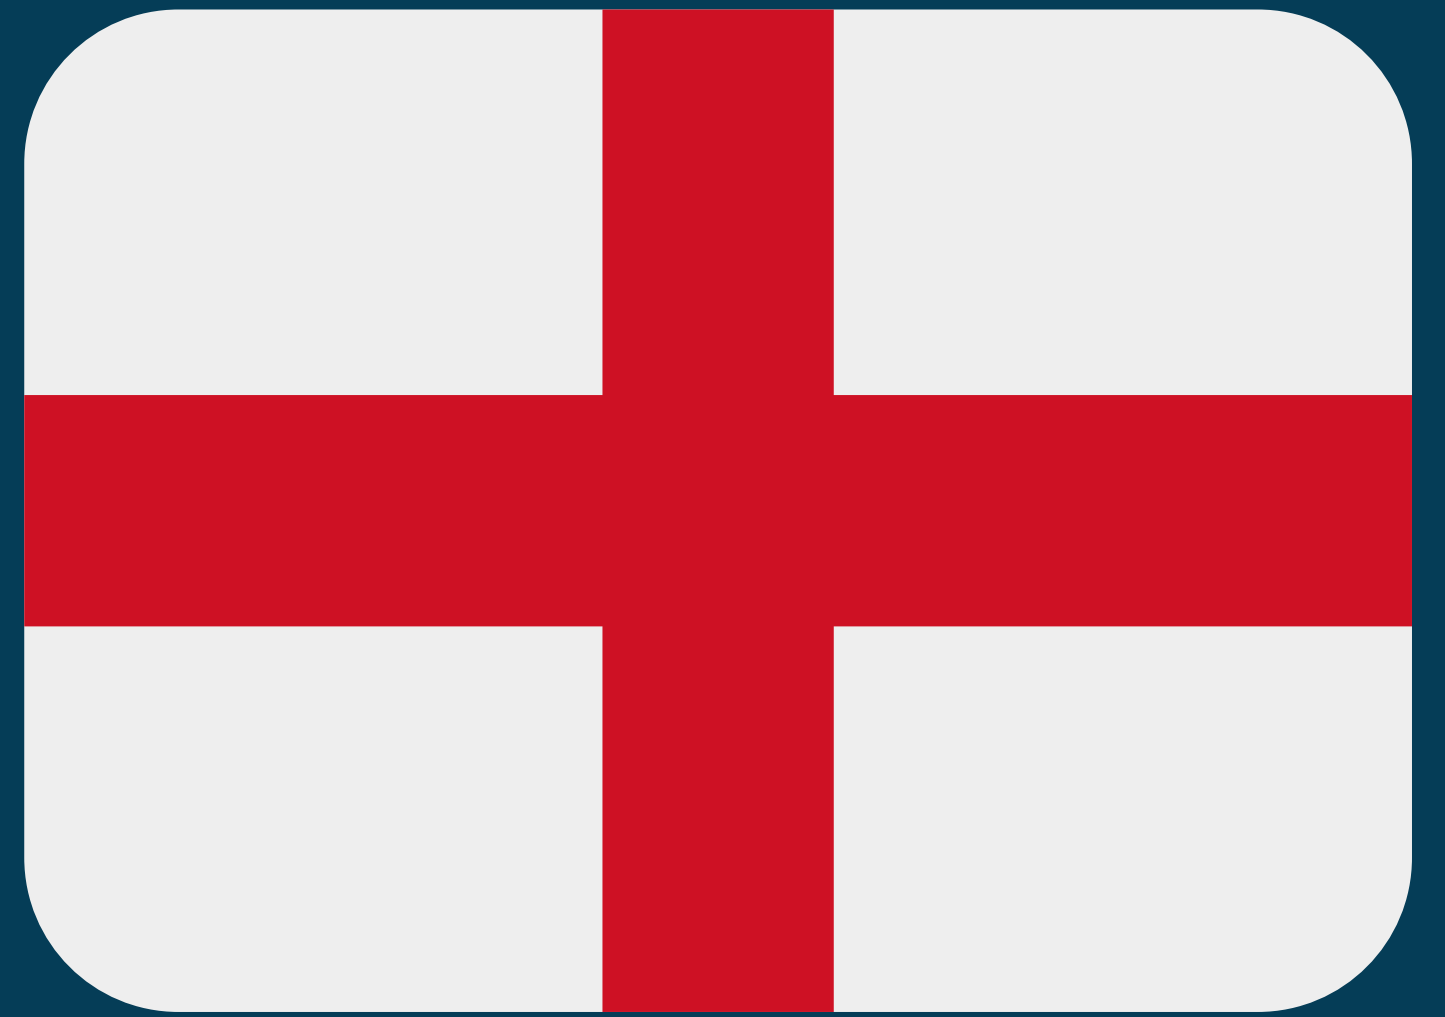

- PATRON SAINT OF ENGLAND

*St. George is a saint of the Catholic Church, one of the Fourteen Holy Helpers.
He is the patron saint of many other countries
and, among others, the patron saint of scouts, knights and soldiers.*

The flag of England is the red cross of Saint George on a white field. According to legend, Saint George dipped his sword in the dragon's blood and drew a cross.

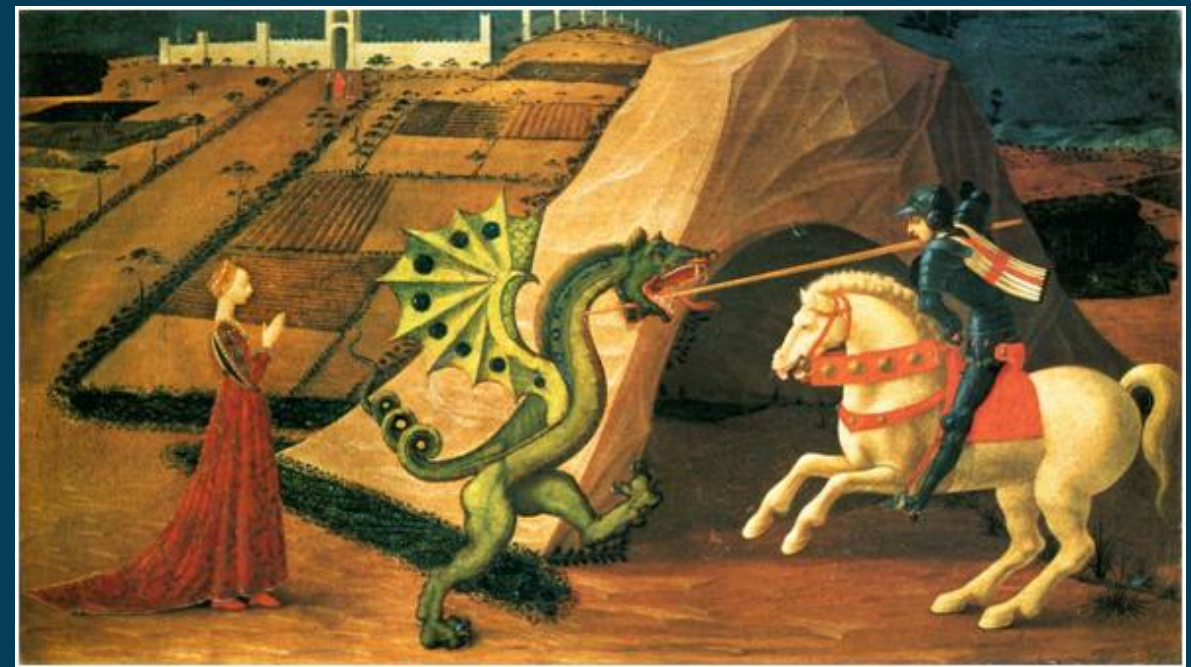

The legend of St. George

According to legend, the city of Silene was terrorized by a dragon. The cruel beast lived by the lake and did not allow the inhabitants to take water. In order to download it, people had to sacrifice a girl of their choice to the monster.

The princess was also to be submitted to the dragon.

It was George who saved her from death, who, thanks to his faith, defeated the terrible dragon.

SAINT GEORGE - FEATURES OF THE ENEMIES

He was one of the most militant saints of the Middle Ages.
